Recommendation #1

Name: _____ Position: _____
Phone #: _____ E-mail: _____

Recommendation #2

Name: _____ Position: _____
Phone #: _____ E-mail: _____

Program Selection 2027

Renal/Dialysis Rotations

Students who are in nutrition/dietetic, nursing and medical programs are eligible to take these rotations. Vaccinations are required. In addition, students need to complete several modules or a course equivalent to 2 credits as a pre-requisite to initiating the internship. Modules can be completed within 6 months of the rotation. Nutrition and dietetic students must have a bachelor's degree or be graduate student. The total time commitment is 2-3 weeks for the modules (as an accelerated course) and 2 weeks of internship. The cost for the online rotation is \$1900. The cost for the hybrid is \$3050 and the cost for the in-person is \$3875.

In Person and Hybrid Dialysis Rotation

_____ January 18th – 29th _____ May 17th – 28th _____ October 18th -29th

Online Rotation: These rotations can be scheduled during other months of the year. Patient assessments are completed during the 2-4th week of the month. Please provide your preferred dates. _____

1. Do you need or want more than a 2-week rotation? _____ Yes _____ No
2. How many in-clinic hours do you need or are required to obtain for your internship? _____

Non-Dialysis Clinic Rotations

Public Health Rotations: Onsite in Barbados

Our public health rotation is open to any college student. Students who choose this program must complete several modules equivalent to 1.5 credits as a prerequisite for the internship. Students who join this program can expect to work on projects and lessons plans for community interventions to prevent chronic diseases, primarily chronic kidney disease. Our 3-day community health fairs and camps are targeted at both children and adults. In addition to community work, students become familiar with the geography, people and food of Barbados through our tours and cultural activities. The rotation in Barbados is two weeks. To reduce cost, students can choose to spend only one week in Barbados. The one-week option is \$2550, and the two-week option is \$3350. Final costs are determined by making selections below. Our public health rotation in Barbados is scheduled for July 19th -30th. How long would you like to stay? _____ 1-week _____ 2 weeks.

Caribbean Connection Camping in Barbados

Our Caribbean Connection rotation is open to any college student. This is a fun-filled week that includes island discovery tours from ocean to back country hikes and a few morning lectures/activities that include a panel of local residents and college students and sampling a variety of local foods while learning about the history, health challenges and beauty of living in the Caribbean (i.e. Barbados). This 1-week session costs \$2275.

___ Dec. 28th -1st ___ March 8th -12th ___ June 7th -11th ___ July 5th – 9th

Holistic Health and Wellness Retreat

Invite a friend to join you for our spiritual retreat. The anxiety and stress that comes with living in the world often weakens our spiritual faith and resilience. If you feel you need a spiritual boost this is a great option. Outdoor spiritual discussions and Bible study on the beach or at a park, Bible challenge games, mission work, island tours, group projects and more are awaiting you. Students will leave feeling spiritually uplifted, connected and supported. This 1-week session costs \$1795.

___ January 4th – 8th ___ March 15th -19th ___ June 14th -18th ___ July 12th – 16th

Study Abroad Selections

Choose which of the following you would like us to include in your package.

1. Would you need a room that accommodates a disability? ___ No ___ Yes
2. Do you need to bring a service animal? ___ No ___ Yes
3. Would you like to take the horseback riding tour? ___ No ___ Yes
Maximum weight limit is 210 pounds.
4. For camping rotations only: Do you prefer to stay in an Airbnb or hotel? ___ No ___ Yes
 - a. Would you like an individual tent and toilet? ___ No ___ Yes
 - b. Would you like to spend an extra free day (Saturday) on your own? ___ No ___ Yes
Students would need to arrange their own travel back to the airport on Sunday for this option.
 - c. Would you like to take an online 1-3 credit equivalent nutrition course? ___ No ___ Yes
5. Would you like I4KC to include the cost of air travel to Barbados? ___ No ___ Yes
Please provide the name of the airport of departure: _____

Funding/Financials

1. How do you plan to pay for your internship package? ___ Self-Pay ___ Financial Aid
___ Scholarship ___ Award ___ Grant ___ Other: _____
2. Would you like us to provide a list of potential scholarships/grants/awards? These are mostly for dietetic interns. ___ No ___ Yes
3. Will you need a payment plan? ___ No ___ Yes

Criminal Record: Do you have any type of criminal record? ___ No ___ Yes

How Did You Hear About This Program?

Dates for Application Submission

Application submission refers to the completion of the application and submission of requested documents only. It does not refer to having the registration process completed. Ideally, applications should be submitted 6 months prior to the start of the program. No applications submissions will be accepted < 90 days prior to the start of the program, with prior discussions/arrangements.

<i>Rotation / Session</i>	<i>Months</i>	<i>Application Submission No Later Than</i>
<i>Internships</i>	January 18-29	Oct. 18
	May 17-28	Feb. 17
	July 19-30	April 19
	October 18-29	July 18
<i>Camps / Retreats</i>		
<i>Winter 2026-2027</i>	Dec. 2026-Jan. 2027	October 30 th , 2026
<i>Spring 2027</i>	March 2027	December 30 th , 2026
<i>Summer 2027</i>	June-August 2027	March 30 th , 2027

Criteria For Programs

Renal Internship Program Entry Criteria

- Be enrolled in a nursing or healthcare program
- Have an undergraduate degree in nutrition or enrolled in a dietetic internship program
- Have a minimum GPA of 2.5

Camps/Retreats Program Entry Criteria

- Be enrolled in a college or university. Community college students are also eligible.
- Have a minimum GPA of 2.5

Full Acceptance for Programs

- ❖ All documents requested submitted

Essay	Student Evaluation Forms	Interns Only
ID (Passport, etc)	Health Form	Vaccinations
Education Transcripts	Travel Medical Insurance	Competencies/Evaluations
Criminal Record Check	Waivers/Releases	Required modules completed

- ❖ All required modules/courses completed
- ❖ All orientations completed
- ❖ Program fees paid in full

Possible reasons why students may not be accepted into the program or dismissed prior to the start of the rotations in Barbados include the following:

- Criminal or drug or alcohol abuse record
- Not providing documents according to specified deadlines
- Inability to obtain or complete required vaccinations
- Low GPA or evidence of poor academic work such as not completing assignments according to instructions or inability to complete them.
- Cheating, plagiarizing or using another student's work
- Consistently poor communication (i.e. not responding to emails in a timely manner)
- Disrespectful communications or consistently not following or listening to instructions
- Evidence of lying or submitting false documents
- Noted concerns expressed on recommendations received from instructors or others
- Missing (without rescheduling or speaking with staff) scheduled zoom orientations

Phase I of Registration Process

The purpose of our registration process is to evaluate if the student is a good candidate for our program, especially if they plan on traveling to Barbados. International internships and programs require mature and responsible students who are eager to learn and who are respectful. There are three stages to our registration process. Phase I assesses eligibility to the program. Phase II involves the acceptable completion of modules and turning in remaining documents such as vaccination records health form. Phase III is orientation and travel preparation. All three stages must be completed successfully for full acceptance to the program and to travel to Barbados.

Application Submission

1. Complete and submit the Internship Application Form and the following forms to learn@internships4kidneycare.com.
 - Education transcripts (non-official)
 - Proof of Identification (i.e. passport, driver's license, ID card)
 - Please Prepare One of the Following:
 - **Internship Rotations:** Prepare a power point detailing your academic history, any work or volunteer work you've completed, hobbies, extracurricular activities and interests.
 - **Non-Internship Rotations:** Write an Essay (≥ 500 words) explaining your academic history and how your academic, professional or personal goals align with our program. What do you expect to gain by attending the international rotation of your choice?
 - Criminal record or federal background check. **Please see below.**
2. A student evaluation form will be sent to the individuals identified under the heading "Recommendations".
3. After the receipt of all the documents you will be requested to schedule an interview.
4. The entire phase I process should take no more than 7-14 days to be reviewed.
5. An invoice and instructions for phase 2 of the registration process along with a conditional letter of acceptance to the program will be sent by email. It should be noted that all modules or course work, if required, must be completed and evaluated and all other necessary documentation (vaccinations, if necessary, and Diet and Health History form) submitted, and full payment made before full acceptance is granted.
6. The registration and processing fee payment must be submitted with the application to be reviewed. The fee is 50% refundable if the student is not eligible or proceed to phase II of the registration process.

Background and Criminal Record Check

Most students will need to obtain a criminal record check. This is usually a very simple and quick process, and it is also free, though in some states a small fee must be paid. Go to the local police station where you have resided in the past 6 months to a year. You will ask if they can do a criminal record check and provide a letter stating they have reviewed your records. It is typically completed within 1 week or less.

A federal background check is the FBI's Identity History Summary Check. It requires the submission of your fingerprints and costs around \$18. If you cannot obtain a criminal record check, we will need you to complete a background check. Since this process can take a few weeks, you can go ahead and submit your application with the remaining documents. We do not need a background check if you are in a health-related degree program that requires a background check. In that case, you can provide documentation of the background check or request your director to write a letter stating you completed one for the program.

Students who have any type of criminal record are typically not eligible for our program, but we will assess it on a case-by-case basis. If you know you have a record, please disclose it on the application.

Air Travel

Students who want to travel with a group need to fly into JFK airport. We will provide the flight information for the selected non-stop flight from JFK to Barbados. JetBlue offers student discounts. Students are expected to arrive the Sunday prior to day 1 of the program and depart the Saturday of that week, unless other arrangements have been made.
